

New Agency Contracting Forms

January 6, 2017

To make doing business with Athene simpler and more convenient, we've consolidated the contracting forms listed below effective **January 14, 2017**.

New forms (version 1/17) will be available starting 1/14 and should be used immediately. All old forms (version 5/15) received after **February 14, 2017** will be considered not in good order. Contracting and pending New Business will be on hold until all forms are received in good order. A newly dated application may also be required depending on state guidelines.
