Training Requirements and Resources

Athene Annuity & Life Assurance Company requires that you complete an approved anti-money laundering (AML) training course every two years in order to solicit our products. To meet this requirement you must have completed, within 24 months of the date of your last course completion, AML training from one of the following sources:

- LIMRA - <https://aml.limra.com/LimraLogin.aspx>
 - "Refresher Training Course" – If you have previously taken the "Anti-Money Laundering for Insurance Producers" base course, we require you to take one of LIMRA's available "refresher" courses. Please note that you *cannot* take the same course twice.
- An AML training course required by a broker-dealer (for FINRA Registered Representatives).
- A reputable third party party, such as
 - RegED – www.reged.com
 - Kaplan - www.kfeducation.com/insurance-ce/
 - QuestCE or SuccessCE

Note: If you complete LIMRA's online training from their site Athene Annuity will pay your training fee.

Athene Annuity may accept other third party vendor training for AML credit, if a copy of the full course training material is provided. If you have completed AML training through a vendor not listed above, please fax your training certificate and the full course material to 1-888-232-1490 for review approval.

Important: if you have not completed an approved course within the past 24 months your business will be rejected.
